Counties Next Steps

- Request approval of Navajo's plan as amended
- Obtain details or confirmation from Cochise and Yuma PJs
- Monitor to ensure plans to address are carried out
- Reconsider remaining plans in November

Navajo Courts

- Approve Navajo County Courts' Information Technology Strategic Plan for FY 2016-2018 as amended to include replacement of the retirement Kofax scanning solution.

Maricopa County LJ Courts

- Meeting with individual judges and court administrators
- Return to discuss details in November and reconsider the plan
